

The Memphis

Published for the Proprietor, W. A. Jones, by
J. H. Smith, at the office of the
Memphis Press-Scimitar, No. 100
Main Street, Memphis, Tenn.,
on Wednesday, January 10, 1882.

The matrimonial boom has not
yet subsided. One of our colored
brethren has just been married,
and as well as a justice of the
peace.

The next regular meeting of the
Board of Supervisors will be in
the afternoon of the 12th inst.

In the opinion of some of our
merchants the price of cotton has
reached its highest point.

At yet Sardinia has had no business
since, though there have been
any in other towns of the State.

Our amateurs repeated "Child
of the Regiment" and "Jane Eyre"
at the opera-house Friday night.

For several days we have had
cloudy and rainy weather.
The day is almost a stranger in our
eyes.

It is whispered that some of our
women have been taken in and
are in for dealing in cotton fu-
tures.

ELLA LEACH, a dusky soiled dove,
at the mayor's Tuesday for the
privilege of swearing on the streets
for days since.

On account of an error made by
the clerk in writing the advertise-
ment, the sale of the Young land
has been postponed until February
1st.

Squire R. C. Balch has his office
at the corner of Main
and Second. His regular court days
are the second and fourth Thursdays
each month.

Tuesday last, Tom Nunnally, (c)
and Squire Balch a fine and cost of
\$50 for carrying a concealed
weapon and making an assault
on Miles Jones (c).

A wandering musician who
plays seven instruments at the
same time—among the number a
saw, drum, kettle drum, tambourine,
triangle and accordion, was
seen Tuesday.

On the 24th inst. the young people
of the city will give a concert and
appropriate the proceeds to buying
an organ for the church at that
place. We hope they will have a
large and paying audience.

For year 1882 will have more
rain than any year since 1853.
It came on Sunday and will go
on its fifty-third Sunday. There
are five months of this year that
will have five Sundays, each.

The Western Union Telegraph
company will not send a message
to Baltimore, distance nine miles,
less than forty cents. But it
will send one to Memphis, distant
six miles, for twenty-five cents.

A barber merchant, who probably
has experience whereof he
has not this conundrum:
What is the difference between
operating and dealing in futures?
It makes you sleep and the other
wakes you from sleep.

Miss Laura Patton, of Batesville,
is visiting friends and relatives of
this place this week. May her
stay be long and pleasant.

Mr. James B. Smith has returned
to this country and accepted a
situation as book-keeper with
Messrs. Archibald & Armstrong, of
Batesville.

Mr. J. Greenwald has moved
his dry goods and grocery depart-
ment to Longtown, leaving only
his millinery establishment here.
He divides his time between the
two places.

Two Organs.
Regulate the liver, especially the first
—so as to perform their functions
perfectly and you will remove at
least nine-tenths of all the
ills that mankind is heir to, in this
or any other climate. Hoy Brothers
is the only thing that will give
perfectly healthy natural action to
these two organs.—Maine Farmer.

An Agreeable Dressing for the
Hair, that will stop its falling,
has been long sought for. Parker's
Hair Balsam, distinguished for its
purity, fully supplies this want.

The Star's New Office.
The STAR office is now located
under the Masonic Lodge, opposite
the court-house, where we will be
pleased to have our friends call and
see us. The entrance is through
the vest door.

Troubles which Singers and Pub-
lic Speakers are subject to. For
thirty years Brown's Bronchial
Troches have been recommended
by physicians, and have always
given perfect satisfaction. Having
been tested by wide and constant
use for nearly an entire generation,
they have attained merited rank
among the best staple remedies of
the age. Sold at 25 cents a box
everywhere.

nice celery, good beer and tooth-
some sausage, call on Fogarty.

Tonic, because they have learned
from experience that it speedily
overcomes drowsiness, indigestion,
pain or weakness in the back
and kidney, and other troubles pec-
uliar to the sex.—Home Journal.

The Appeal for 1882.
In issuing its prospectus for 1882,
the Appeal has but one promise to
make, and that is, a determination
to maintain its character and rank
in the front of American news-
papers. The Appeal is now regarded
as one of the institutions of the
South. Its history for the past
forty-one years is the history of the
development of Southern thought,
Southern politics, Southern indus-
try and Southern literature, and its
sympathies and aims will be the
same in the future. The paper
will continue to be the constant
reflex of the most reliable intelli-
gence obtainable from all parts of
the world. It will remain inflexibly
Democratic, but its space will be
mainly devoted to news, the inter-
ests of agriculture, trade, commerce,
manufactures, internal improve-
ments, the developments of South-
ern resources and all branches of
industry. While always on the
alert for the latest intelligence, it
will avoid the mere sensational,
and will never ponder to vitiated
tastes. The Appeal is specially de-
voted to the interests of Tennessee
and Memphis, its great commercial
emporium, and will use its best
abilities to promote both. It real-
izes that the future empire of this
country lies in the South and West,
and will labor to combine the po-
litical and business relations of
these two sections in inducing the
legislation of Congress for improv-
ing the navigation of the Missis-
sippi river and its tributaries.

my 7, 8, 9, 10 is an act that often
fills our jails;

Sardis, Jan. 7th '82.

A few days since, the people of
Liberty, Amite county, turned out
in large numbers and had an old-
time fox hunt. They returned with
two fox tails, but we can't say they
had the foxes, because we haven't
heard.

Is the Mississippi Senate on the
11th inst. Senator Kyle introduced
a bill entitled "an act fixing the
punishment of persons convicted of
capital offenses," which was re-
ferred to the Judiciary committee.

From the 10th of Oct. 1881, to
the 1st of July, 1882, genuine Rock
Spring water will be shipped to
customers by Ellis & Co., of Holly-
 Springs, Ala., at the following rates:
10 gallons in anti-corrosive can
\$5.00; Same can refilled at \$4.00; 5
gallons in anti-corrosive can \$3.25;
Same can refilled \$2.25; 3 gallons
in glass bottle \$7.50; Reasonable
freight and express rates are given
by all railroads. This water has
been known for nearly fifty years
as a sure cure for dyspepsia, a sure
cure for diseases of the kidney and
bladder, a sure cure for scrofulous
affections of the bones or skin, a
sure cure for all curable cases of
dropsy and a certain destroyer of
the terrible thirst for intoxicating
drinks that overcomes so many
worthless resolutions. Deprive a
drunkard of his dram for three days
and meanwhile give him plenty of
Rock Spring water and he won't
want the whiskey. Don't you think
it's worth trying? If you do drop
a postal to Ellis & Co. It costs but a
cent.

Mothers! Mothers! Mothers!!!
Are you disturbed at night and
broken of your rest by a sick child
suffering and crying with the ex-
cruciating pain of cutting teeth?
If so, go at once and get a bottle of
MRS. WINSLOW'S SOOTHING
SYRUP. It will relieve the poor
little sufferer immediately—depend
upon it; there is no mistake about
it. There is not a mother on earth
who has ever used it, who will not
tell you at once that it will regulate
the bowels, and give rest to the
mother, and relief and health to the
child, operating like magic. It is
perfectly safe to use in all cases,
and pleasant to the taste, and is
the prescription of one of the oldest
and best female physicians and
nurses in the United States. Sold
everywhere, at 25 cents a bottle.

REMEMBER Fogarty's market-car
passes here, attached to the south-
bound freight train, Tuesdays and
Fridays.

M. Hall's contracts after this date. Any
one holding a receipt from him against
his note in the Bank of Sardis will
present it to W. H. Wall, cashier, and get

The Reason.
Why I. W. Harper's Nelson County
Whisky is preferred above all other brands
is because it is the most regular and
most perfect product, uncontaminated
everywhere. Long experience in the man-
ufacture of the Harper, the large capital of
the distiller which enables him to hold his
whisky until it is fully matured, together
with the fact that the whisky is
brought up and shipped to us direct from
the distillery, accounts for the unrivaled
satisfaction it has given to those best ed-
ucated to fine whisky. J. C. H. Allen, sole
